# ABOUT US

Homex Estates is a full-service property company offering Real Estate, Affordable Homes, Property Care, Consultancy, and Rental Management. Through our BAYTA brand, we build safe, energy-efficient, and well-designed homes that make ownership accessible and valuable. Our Property Care ensures year-round upkeep with inspections, maintenance, bill payments, photo/video reports, monsoon care, and key custody. With our Consultancy, we guide investments, compliance, and portfolio growth. For NRIs, we handle documentation and TDS processes to ensure smooth, transparent transfers abroad.

# OUR SERVICES

## Property Care

Year-round home protection and management, with tailored plans from basic oversight to full-service management, ensuring properties are secure, well-maintained, and hassle-free

## Real Estate

End-to-end support for buyers, sellers, and investors, including residential and investment property transactions, with expert guidance and transparent processes. Specialised services for NRI and overseas clients ensure smooth, secure, and stress-free property transactions.

## New Build Homes

BAYTA: Affordable and sustainable homes that are durable, energy-efficient, and thoughtfully designed. BAYTA makes homeownership accessible, environmentally friendly, and long-term value-driven.

Tagline: “BAYTA – Quality Homes, Affordable Living, Sustainable Future.”

## Consultancy

Expert guidance on property investment, sale, and management. Services include market insights, investment strategy, compliance, and portfolio planning. For NRI and overseas clients, we handle seamless transfer of sale proceeds abroad under the TDS scheme, ensuring a smooth, transparent, and stress-free process.
